VIOLET SPLENDOR (grown by Lynn B. Dudley)

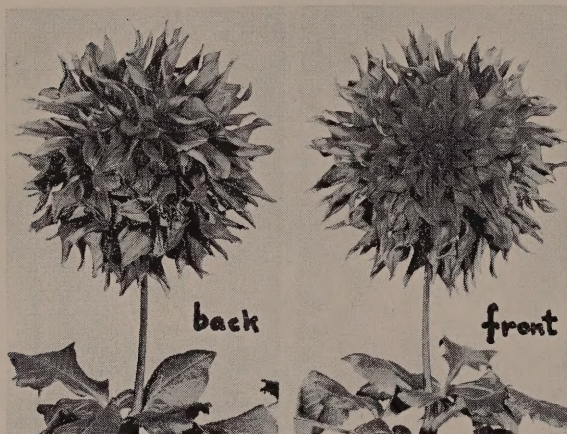

Pennypack

Stanley Johnson

CHELTENHAM, PA.

MY 1961 INTRODUCTIONS

The house of PENNYPACK presents for your garden in 1961 two of the very best; one great giant size, the other a show perfect miniature. Their show records prove they are unbeatable in fierce competition.

VIOLET SPLENDOR
(Double View Beauty)

VIOLET SPLENDOR, A, I.D. Purple, 12" by 7". Do you remember that dahlia—Jean Trimbee? This beautiful petunia purple dahlia came to us from Canada and for many years was a big winner at all our Shows. Finally, old age caught up with this lovely lady. Now you can get her charming daughter, **Violet Splendor**. Size over 12" with a complete wrap around of the back petals. Study the photo of this dahlia. No, your eyes are not deceiving you, look again at the photo; the view on the left shows the back of the bloom, the right photo has the bloom facing you.

Plant growth is vigorous and my entire planting of **Violet Splendor** shows no sign of disease. You can easily grow this one to perfection without any special effort. A high quality dahlia in every respect with predictions of many champions.

Mentioning just some of the awards already won—5 American Home Achievement Medals, even one gained at the Southern States Dahlia Association, Birmingham, Alabama, which is about 1,000 miles away from where the plant grew; 6 A. D. S. Seedling Sweepstakes Awards and the American Dahlia Society Gold Medal, Best Exhibit of the Show and blue ribbons in open competition.

Root only, \$15.00; Plant, \$5.00

BOOTS, Miniature, S.C., Orange 3" x 1½". Here is the high stepping small flowering dahlia that beat the big ones. It takes an extraordinary miniature to win over the giants. **BOOTS** has got it—show-perfect blooms and a strong growing plant that is covered with flowers from early until late, never oversize and no open centers. Plant this one, then forget it until you want some lovely dahlias for your table or prize winners for the Show room.

Won 3 American Home Achievement Medals and 5 American Dahlia Society Seedling Sweepstakes Awards and many blue ribbons in open competition. **Boots** has also appeared in a number of arrangements winning as Best of Show. What other fields are there to conquer? Sensibly priced for A-1 quality.

Root, \$6.00; Plant, \$2.00

BOOTS (Classic Beauty that Endures)

Novelties of Merit

	Plant	Root
CELESTIAL QUEEN (Australia) A—I. D. Size 10" x 6". A fimbriated variety of pink-cream color. Sturdy upright growth....	\$2.00	\$5.00
CROYDON ACE (Australia) A—I. D. A good one for the largest bloom class, easy 12" x 5" of sulphur yellow color. Grow to 4 canes for long stems	3.00	7.50
GINA LOMBAERT (Belgium) B—S. C. Show perfection, salmon color in size of 8" x 4". Rated tops in its country	1.50	3.50
HURRICANE (Nels Johnson) B—I. C. A much needed variety. Variegated yellow with red flecks, size 8" x 5". Winner of Derrill W. Hart Memorial Medal for high score, "B" size, in 3 official A. D. S. Trial Gardens	2.50	
MRS. HILDA YOUNG (Australia) A—I. D. Size 12" x 6". Beautiful coloring of white overlaid with violet for about half the length of the petals. A strong growing plant with nice foliage	4.00	
ORCHID LACE (Lundgren) B—S. C. Size 7" x 4". White with tips of petals purple. This one impressed me at Roy Webb's garden in Scranton, Pa.	3.50	
ROBENS SUPERIOR A—I. C. Size 12" x 5". Here is "Mary Elizabeth" in true cactus form with a good strong stem. I covered several shows in the Mid-West—fall of 1959 and visited the gardens of some growers. The dahlia that stood out above all the rest was then a 2 year old seedling growing in the seedling patch of Harvey Robens, Chagrin Falls, Ohio. I saw several first rate varieties that were earmarked for 1960 introduction but this seedling now Robens Superior was better than all of them. I predict this dahlia to be one of our leading prize winners.....	5.00	15.00
RUTH BRAND (Australia) A—I. D. Size 11" x 5". White with a faint touch of lavender. Form, stem and growth nearly perfect .	2.00	5.00
SALLY TOMBLESON (New Zealand) A—F. D. Size 12" x 6". This dahlia has the "makins'" to produce the largest flower grown to date. The big blooms are of orange and red coloring supported by extra strong long stems. Sturdy tall growing plant	3.50	10.00
TOP AFFAIR (Holland) B—Str. C. Size 7" x 4½". Primrose yellow. The best new Dutch dahlia.....	2.00	
SEI-KI (Japan) A—S. C. Size 12" x 5". Color, bright red. Considered to be the largest and best dahlia originated to date in the Orient	3.00	

GIANT EXHIBITION DAHLIAS

All varieties listed below are of the type that win prizes at any shows or attract much attention in your garden. Real outstanding varieties gathered the world over. Carefully tested to prove their highest merit in color, form and growing habits. Description brief but quality high.

POMPON DAHLIAS

The following varieties have all these characteristics: Perfect exhibition type. Small flowers, round as a ball, made up of tiny quilled petals completely full to centers. Plants are of strong growth, 4' in height and flower freely throughout the season. All blooms are held above the foliage on long stems.

Australia today is giving us the best in new exhibition pompons. The following are the latest releases which definitely are superior to our standard show varieties.
